You need to have a full bladder. Drink 600mls of water finishing at least 1 hour prior to your appointment and hold.

ALLOW TIME FOR YOUR EXAMINATION

Appointment times may vary depending on your gestation. Occasionally the baby will be in a poor position for the examination and delays may occur, however we will always do our best to run on time, please consider this when booking other appointments or other commitments following your scan. As you would understand, obstetrics and gynaecology are areas where unexpected emergencies may occur. Provision is made for urgent cases but occasionally some emergencies will interrupt the bookings and may cause delays. Equally if you are late for your appointment, you may be delayed or re-booked so as not to inconvenience other patients. Please contact our friendly staff if you need to cancel or rebook, as we have a waiting list.

*Please note charges may apply with non-attendance and cancellations made less than 24 hours prior to your appointment.

CHARGES

Upon making your booking, we will inform you of the anticipated charges. Full payment is required on the day. Payments may be made by Cash, Cheque, MasterCard or VISA. Our staff will send your claim through to Medicare where a rebate will be deposited into your nominated account with Medicare. (Approximately 3 workings days.)
